

Defying Expectations

May 2021

Your Future

- What do you expect?
- What do your family expect?
- What does the world expect?

Historically at PVA

- College/ Apprenticeship
- BTEC
- Employment at 18

Other schools

- 6th Form
- A-Levels
- University

Why it matters

Graduates continue to benefit with higher earnings
New figures show that working-age graduates earned **£10,000** more than non-graduates in 2018 and had higher employment rates.

Graduates earn £10,000 more per year than those who don't go to university, proving that a degree continues to be a rewarding investment, brand new data has revealed today (25 April).

(Department for Education and The Rt Hon Chris Skidmore MP. Published:25 April 2019)

Creating inequality

- 50.2% of students in 2017-18 chose higher-education
- 11.4% of students from this area chose higher-education

An Elitist System

- 48% of Oxbridge applicants attended private school
- 24% of all MP's attended either Oxford or Cambridge
- 71% of all senior judges attended either Oxford or Cambridge

“Universities still fail to give three-quarters of places to state school pupils despite demands of ministers and regulator”
