“A Man on the Moon”: Andrew Chaikin

JFK: Rice University Speech 1962

JFK: Rice University Speech 1962

“We choose to go to the moon in this decade and do the other things, not because they are easy but because they are hard, because that goal will serve to organise and measure the best of our energies and skills.”

“Because it is there.”

George Mallory

“If you cannot understand that there is something in man which responds to the challenge of this mountain and goes out to meet it, that the struggle is the struggle of life itself upward and forever upward, then you won't see why we go. What we get from this adventure is just sheer joy. And joy is, after all, the end of life.”
