

Info for parents and student on CC

Dear parents

On Monday afternoon, all year 8 students will be participating in an workshop on LGBTQ+. This is part of the statutory sex and relationship curriculum for students in key stage 3.

The presenters will give impartial, unbiased information and the workshop aims to to raise awareness about sexual orientation and gender identity.

Students will get the opportunity to discuss issues around homophobia and gender stereotypes' and learn how young people can take positive action to build a culture where these are not tolerated.

By the end of the session students will be able to:

- Be aware of relevant terminology and around LGBTQ identities
- Define relevant terminology and around LGBTQ identities
- Explain trans rights in relation to UK law.
- Explain what HBT Bullying is and the effects this can have on people

If you would like any more information about the workshop, please contact Mr Bryan, PSHE lead.
